5 bedroom house in urbanisation in Olhão city centre

This imposing 5-bedroom villa in the heart of Olhão is the ideal family retreat. Its 240m² built area, spread over 3 floors, provides comfort, well-being and plenty of family harmony.

The villa has the particularity of being located on a corner plot, which gives it added value over other plots in the urbanisation that only have one front. Entering through the main door, you'll find a spacious entrance hall, a laundry room, 1 bathroom, a bedroom converted into an office, a large living room with a fireplace and a kitchen with an island in the centre. From the kitchen you can also access a great patio with a BBQ and a service bathroom at the back of the house.

Going up to the first floor, you find a hallway with access to 3 bedrooms, one of them en suite and with a close, 1 bathroom that serves the entire upper floor of the house. All the bedrooms have access to a balcony.
